LETTERS to the Editor:

February 21, 1957

Dear Mrs. Watson:

Your paper appeals with equal interest to that side of me that is content to sit in a wheel chair while the world spins merrily on, as well as to that other more rebellious self who as resents these restrictions, necessarily placidized upon one so situated. Therefore, it is of inestimable comfort to be able to "keep my finger on the pulse" of local activities and still be able to continue my other

I cannot compliment enough the "new" paper which has so changed the face of this particular section of the Gulf Coast.

Sincerely,
Francis Lawton

...the

I certainly wish to thank The Echo for your wonderful cooperation in keeping before the public the great need for funds to keep our scientists at work on their research into the dread disease of the heart which are collectively ominous as America's No. 1 Killer.

Several substantial checks have been received from out-of-town donors, "Heart" conscious well-wishers who mentioned The Echo write-ups. We are all grateful for your interest and your help.

Our thanks also should go to the American Legion of Bay St. Louis, the merchants of the Coast for contributions, the donors who have given so cheerfully of cash, flowers, cakes, pies, candies, etc.

as well as to Lillian and Harold Garcia for preparing and serving a delicious luncheon and arranging the use of their lounge for the "Heart" bingo party last week. And last but not least, we are thankful for the perfect working harmony and coordination of the "H e a r t" committee and members who have worked

Again thank you for your lovely story on my own little part in the drive as well as your many

stories on other "heart" activities.

Sincerely,
Rae Cape.

Victory over St. Joseph's Academy — For the second time in the last few years of his only coaching career, a Ray St. Louis native who is coaching in the coaching world, has brought his team to state playoff status. This year, **COACH THOMAS TUBERY, JR.**, shown above at extreme right, will see his football team of **St. Joseph's Academy**, of Morgan City, La., play in the tough Louisiana State playoffs. Last year, Tubery High's girls' team of Hickory, Miss., reached the Mississippi State playoffs. Coach Tubery's coaching management, Tubery has graduated of St. Stanislaus here, where he excelled in many athletic pursuits, and was especially brilliant on the football field.

Thom Tubery, Jr. Brings Team To State Finals For Second Time

Now comes to the Ray of a million smiles another athletic pursuit as an athletic coach whose team has again reached state playoffs.

Thom Tubery, Jr., son of Mr. and Mrs. Thom Tubery of this city, and coach this year for the Sacred Heart Academy of Morgan City, La., whose team won the Louisiana State championship in the sub-senior class of football (12-0) and second in the senior division, triumphantly they will be in their glory for a change at the home of the Louisiana State playoffs in Natchez, Miss.

This is the second time Coach Tubery has brought his team to state playoffs in football. The girls' basketball team of Sacred Heart Academy, Morgan City, La., won the Louisiana State championship in the sub-senior class of basketball (22-0) and second in the senior division, triumphantly they will be in their glory for a change at the home of the Louisiana State playoffs in Natchez, Miss.

A native of Ray St. Louis and graduate of St. Stanislaus High and Mississippi Southern College, Tubery was an outstanding athlete and especially known as a brilliant football star in both high school and college. Following his graduation from Mississippi Southern, he spent the last year coaching at the West Memphis High School, moving from there to St. Stanislaus of Natchez, then to Hickory High. He is coaching this year for the first time at St. Stanislaus.

ROBERT J. TUBERY, son of Mr. and Mrs. Thom Tubery, of Ray St. Louis, a graduate of Class 1946, Ray High School, is now with the U. S. Air Force, stationed at Dale AFB, in Mississippi.

"I know it's Bay St. Louis best-tasting milk!"

"I've always been proud of my milk. Under Borden's strict quality control, I'm doubly proud because it's better than ever. So, when someone tells me their family drinks Borden's, I know they're drinking the best-tasting milk they can buy. It's produced with pride by me and your other farm neighbors. For nourishing, fresher milk with finer flavor — I recommend Borden's. It's got to be good."
